Don't want to go through the rigamarole of playing the game to get to the Special Stages? Think you can guide Sonic at a record pace? Come here for a fun break from the norm.

• Time Attack

This mode allows you to try and post record times for getting through scenes in the Sonic saga. Choose any Act by scrolling LEFT or RIGHT and UP or DOWN, then pressing Button A, C or Start to begin. The best times are listed. Can you beat them to make a mark for yourself?

Note: You must play each level first before being able to access them in the Time Attack mode.

• Spindash

In *Sonic the Hedgehog™*, you can play the game either in its original mode without the Spindash, or with the added Spindash function not found in the original.
